

Dear Friend of Traditional Music:

Flagstaff Friends of Traditional Music is proud to announce the Second Annual Pickin' in the Pines Bluegrass and Acoustic Music Festival scheduled for September 14 – 16, 2007 at the Pine Mountain Amphitheater. As you know, our first festival was wildly successful – thanks to your financial support and enthusiastic attendance. We hope all of you enjoyed yourselves as much as we did. Our organizers learned a lot about how to execute a festival of this magnitude last year, and we expect this year's festival to be even bigger and better.

We have already booked bands with national acclaim and broad appeal to traditional music enthusiasts. We are so excited to announce **David Grisman Bluegrass Experience** and **Kruger Brothers** as festival headliners this year, along with **Chatham County Line**, **Sweet Sunny South**, **The Badly Bent** and **Burnett Family Bluegrass**. Over the coming weeks we will round out the festival with regional and local acts, so there are more exciting announcements to come!

This year, we will continue with all of the activities that made last year's festival so unique, including the contra dance, educational workshops, and a band competition. We also have plans for more children's activities and a wider variety of vendors and artists. Another major goal this year is to lower ticket prices; we are committed to keeping this festival affordable to families.

As part of our commitment to keeping this festival affordable, we are aggressively seeking grants, corporate sponsorships and private donations to help offset costs. As such, we are asking FFOTM members to please make a contribution today! Your tax-deductible donation will help to ensure the success of Pickin' in the Pines 2007 and the continued success of this festival, which is sure to become a beloved tradition in our community. Complete the form on the bottom of this letter and return it with your tax-deductible donation today.

Thank you for your continued support of FFOTM and Pickin' in the Pines!

President, FFOTM Board of Directors
